- Coloured or painted paper stapled or glued onto ponchos to add other colours to costume
- Craft glue
- Stapler & scissors (under direct adult supervision)

Procedural Text: How to Make A Crown or Mask For A Funky Chicken Play

Teachers: These Crowns and Masks are ideal for use in your assembly presentation! Be sure to have children decorate the correct crown or mask they will be using in the presentation.

Materials:

Sheet 1 and 2 (best copied onto card) - Mask or Crown template to decorate, cut out and construct

Coloured pencils, crayons, markers or paint to decorate

Collage materials of your choice e.g. beads, colourful paper pieces, pipe cleaners, foil, wool/string, glitter

Colourful feathers

PVA Glue, stapler or masking tape

Elastic, ribbon or string to secure mask

Procedure:

Colour the mask or crown in funky, bright colours.

Add collage materials for extra sparkle and funkiness.

Cut out the shapes.

Form the mask or crown into their shapes so that they fit your head or face well.

Decorate with feathers by securing them onto your mask or crown.

Store your crown or mask in a safe place to dry until you are ready to use it in your performance.
