Australian Curriculum

Content Descriptions

English-Language for Interaction

Understand that language is used in combination with other means of communication, for example facial expressions and gestures to interact with others. [ACELA1444](#)

English-Text Structure and Organisation

Recognise that different types of punctuation, including full stops, question marks and exclamation marks, signal sentences that make statements, ask questions, express emotion or give commands. [ACELA1449](#)

Science-Physical Sciences

Light and sound are produced by a range of sources and can be sensed, identify the sun as a source of light. [ACSSU020](#)
